If this list appears empty, open in Word and press F9, or right-click → Update Field.

A. At a glance

This summary is provided for convenience only. It is not part of the agreement and does not override the full Terms below.

Topic	In short
What we do	We collect segregated recyclable waste from your doorstep, free of charge, in areas we currently serve.
What you get	KarmaCoins XP — loyalty reward points. They are not money and not a payment instrument.
Where we operate	Gurgaon / Gurugram, Haryana only, at present. Bookings outside a live service area cannot be accepted.
Cashing out	Redemption opens on the dates in Section 9. Payouts run through RazorpayX and require KYC.
Rate for quiz & referral coins	Depends on your unbroken verified-pickup streak at the moment you redeem (Section 11).
Rate for pickup coins	Always the best rate — 10 coins = 1. Your streak does not affect it.
Age	18+ to hold an account in your own name. 13–17 only with verifiable parental or guardian consent.
Complaints	In-app "Need help?" first; then our Grievance Officer (Section 24). Escalation rights are preserved.

1. Introduction and acceptance

KarmaVer$e is operated by **3R Zero Waste**, a company incorporated in India with its registered office at Plot 62, Sector 8 Road, IMT Manesar, Gurugram, Haryana 122503 ("**Company**", "**we**", "**us**", "**our**").

These Terms & Conditions ("Terms") govern your access to and use of the KarmaVer$e mobile application, website, and all related services (together, the "Service"). Our Privacy Policy is incorporated into these Terms by reference and forms part of your agreement with us.

By creating an account, scheduling a pickup, or otherwise using the Service, you confirm that you have read and accepted these Terms. **If you do not accept these Terms, you must not use the Service.**

These Terms constitute an electronic record under the Information Technology Act, 2000 and the rules made under it. No physical or digital signature is required.

2. Definitions

In these Terms, the following capitalised words have the meanings set out below.

Term	Meaning
Agent	An independent pickup partner engaged and verified by the Company to collect, weigh, and verify recyclable waste. Agents are not employees of the Company.

Content	All text, graphics, logos, quiz material, software, designs, and other material made available through the Service.
KarmaCoins XP	Non-transferable loyalty reward points issued by the Company. They are a promotional benefit, not currency, not a security, and not a prepaid payment instrument.
Payment Partner	RazorpayX, or any successor payment service provider engaged by the Company to disburse redemption payouts.
Pickup	A scheduled collection of segregated recyclable waste from a Pickup Address by an Agent.
Pickup Address	The address and geographic coordinates you select or confirm in the app for a given Pickup.
Service Area	A geographic boundary published by the Company from time to time within which Pickups are currently offered. Active Service Areas are listed in Annexure A.
Serviceability Check	The automated validation that determines whether a Pickup Address falls within an active Service Area.
Streak	Your run of consecutive days on which a Pickup was completed and verified, as calculated under Section 11.
Wallet	The in-app record of your KarmaCoins XP balance and transaction history.
You / User	The individual who registers for and uses the Service.

3. Eligibility

3.1 Age

- **18 years and above:** you may register and hold an account in your own name.
- **13 to 17 years:** you may use the Service only where a parent or legal guardian has provided verifiable consent, has accepted these Terms on your behalf, and accepts responsibility for your use of the Service and for any Pickup conducted at your address.
- **Under 13 years:** you may not use the Service. We do not knowingly permit registration by anyone under 13.

Under the **Digital Personal Data Protection Act, 2023** ("DPDP Act"), an individual under 18 is a "child". Where we process the personal data of a User under 18, we do so on the basis of verifiable parental or guardian consent, we do not undertake tracking or behavioural advertising directed at that User, and we do not process their data in a manner likely to cause a detrimental effect on their well-being.

3.2 Capacity and compliance

- You must be competent to contract under the Indian Contract Act, 1872, or be represented by a parent or guardian who is.
- You must not be barred from receiving the Service under any applicable law, and must not be a person whose account we have previously terminated.
- You must provide accurate, complete, and current registration information and keep it updated.

3.3 Geographic eligibility

The Service is offered for use in India. Pickups are further limited to active Service Areas, as described in Section 5. Registration does not by itself entitle you to a Pickup.

4. Account registration and security

- You may register using a valid email address and mobile number, or by signing in with a Google account.
- **One account per person.** Duplicate, automated, or fraudulently created accounts may be suspended or terminated and any associated KarmaCoins XP forfeited.
- You are responsible for keeping your credentials, device, and registered mobile number secure, and for all activity that occurs under your account.
- Notify us promptly through in-app support if you believe your account has been accessed without your authorisation. Until you do, activity under your account is treated as yours.
- We may require verification of your mobile number, email address, or identity before enabling certain features, including redemption payouts.

5. Service areas and pickup serviceability

> **Current operating area**
>
> **Pickups are currently available only within the Gurgaon / Gurugram, Haryana Service Area.**
>
> If your Pickup Address falls outside an active Service Area, the app will not permit you to book a Pickup. This is an operational limit, not a fault in the app.

5.1 How serviceability is determined

1. When you schedule a Pickup, you select or confirm a Pickup Address, either by using your device location or by searching for and confirming an address on the map.
2. We derive the latitude, longitude, locality, city, state, and PIN code for that Pickup Address.
3. We run a Serviceability Check against the boundaries of our active Service Areas.
4. If the Pickup Address is inside an active Service Area, you may proceed to select an available date and time slot.
5. If it is not, we will tell you so and you will not be able to complete the booking at that address.

5.2 What you can rely on

- **We will not change your address for you.** We will never silently substitute a different, serviceable address in place of the one you selected.
- **We will not confirm a booking we cannot verify.** Where serviceability cannot be reliably established — for example because a mapping or location service is unavailable — we will decline to create the booking rather than accept one we may be unable to fulfil.
- **Time slots reflect real availability.** Slots are shown only after your Pickup Address has passed the Serviceability Check.

- **Serviceability is checked on our servers.** The check is enforced independently of the app. Attempting to bypass it by modifying, replaying, or forging a request is a breach of Section 13 and may result in termination.

5.3 Changes to Service Areas

- Service Areas are defined by geographic boundary and may be added, reduced, suspended, or withdrawn by us at any time for operational, regulatory, safety, or capacity reasons.
- A PIN code may be displayed for your convenience and used as a supporting check, but PIN-code boundaries do not by themselves determine serviceability.
- Coverage within a Service Area may be partial. Being inside a serviced city does not guarantee that every address or every slot within it is available.
- Where a Service Area is withdrawn or suspended and you hold a confirmed future booking, we will notify you and cancel or reschedule that booking. Cancellation on this basis does not affect KarmaCoins XP already credited to you.
- The current list of active Service Areas is set out in Annexure A and is also available in the app.

5.4 Location permissions

- We request access to your device location only when it is needed to find or confirm a Pickup Address and to run the Serviceability Check.
- **We do not collect background location** for the purpose of serviceability checking.
- If you decline location access, you may still search for and confirm a Pickup Address manually. Some convenience features will be unavailable.
- Your precise location is not shown to other Users. Only the information necessary to complete a Pickup is shared with the assigned Agent. See the Privacy Policy for details.

6. Services we provide

Subject to these Terms and to availability, the Service offers:

- **Waste pickup scheduling —** free doorstep collection of segregated plastic, paper, metal, glass, e-waste, textile, organic, and declared hazardous household materials, within active Service Areas and subject to the category restrictions in Section 8.
- **KarmaCoins XP rewards —** reward points credited on the basis of the type and Agent-verified weight of material collected.
- **Daily eco-quiz —** a daily quiz through which additional KarmaCoins XP may be earned.
- **Referral programme —** bonus KarmaCoins XP for introducing new Users, as described in Section 12.
- **Redemption —** the ability to redeem KarmaCoins XP for rewards, eco-friendly products, donations, or a cash payout through our Payment Partner, subject to the timelines and conditions in Section 9.

We may add, modify, suspend, or withdraw any part of the Service. Where a change materially reduces a benefit you have already earned, we will give reasonable prior notice.

7. Pickup terms

7.1 Booking and fulfilment

- Pickups are subject to Service Area coverage, slot availability, and Agent capacity. A booking is confirmed only when a Pickup ID is generated and shown to you.
- We may cancel, reschedule, or decline a Pickup for operational, weather, safety, regulatory, or capacity reasons. We will notify you where we do.
- Ensure the waste is properly segregated, dry where applicable, safely packed, and accessible at the scheduled address and time.
- Someone aged 18 or over should be present to hand over the material. If nobody is available and the Agent cannot collect, the Pickup may be recorded as a missed Pickup.
- You may cancel a Pickup through the app before the Agent is dispatched. Repeated late cancellations or missed Pickups may lead to restrictions on booking.

7.2 Verification and weighing

- The Agent verifies the category and weighs the material at the point of collection.
- **Final KarmaCoins XP are based on the Agent's verification, not on your estimate at booking.**
- If you believe a verification is incorrect, raise it through in-app support within 7 days (Section 17).

7.3 Title and risk

- By handing over material for a Pickup, you confirm that it is lawfully yours to dispose of, and title in it passes to the Company or its authorised recycling partner on collection.
- Check for personal belongings, documents, storage media, and valuables before handing over material. We cannot return items once collected and are not liable for anything included in error. For e-waste, wipe or remove data-bearing storage before handover.

8. Waste categories, declarations, and prohibited items

8.1 Declarations

- **Hazardous household waste and e-waste must be declared at the time of booking.** Undeclared hazardous material may result in refusal of collection, cancellation, and suspension of your account.
- E-waste and hazardous waste are collected only where we or our partners hold the authorisations required under the E-Waste (Management) Rules, 2022, the Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016, and other applicable law. Availability of these categories may therefore vary by Service Area and over time.

8.2 Prohibited items

You must not present for collection any of the following:

- Medical, biomedical, clinical, or sanitary waste, including sharps and used PPE.
- Explosives, ammunition, fireworks, compressed gas cylinders, or pressurised containers.
- Radioactive material.
- Flammable liquids or fuels, solvents, or unlabelled chemicals.
- Asbestos or construction and demolition debris.
- Animal remains, food waste in a state of decomposition presenting a health risk, or human waste.

- Anything whose possession, transfer, or disposal is restricted or banned under applicable law.
- Stolen goods, or goods you are not entitled to dispose of.

Presenting prohibited items may result in refusal, immediate suspension, forfeiture of KarmaCoins XP, recovery of any costs we reasonably incur, and reporting to the relevant authorities.

9. KarmaCoins XP

9.1 Nature of KarmaCoins XP

> **Important — what KarmaCoins XP are and are not**
>
> **KarmaCoins XP are loyalty reward points issued by the Company as a promotional benefit.**
>
> They are not legal tender, not e-money, not a prepaid payment instrument or wallet under the Payment and Settlement Systems Act, 2007, not a security, and not a virtual digital asset or cryptocurrency. You cannot buy them, transfer them, or hold them as a store of value.
>
> Any cash payout described in Section 9.4 is a discretionary promotional disbursement made by the Company under these Terms. It is not the redemption of stored value and does not make KarmaCoins XP a payment instrument.

9.2 Earning

- Coins are credited on the basis of the category and Agent-verified weight of material collected, and for completing the daily eco-quiz or qualifying referrals.
- Coin values, earn rates, and category rates are set by the Company and may change. Changes apply prospectively, to coins earned after the change takes effect.
- Coins are personal to your account and are non-transferable between accounts.

9.3 Adjustment, expiry, and forfeiture

- We may adjust, reverse, or revoke coins credited in error, or credited as a result of fraud, abuse, manipulation, system fault, or breach of these Terms. We will notify you of any adjustment and the reason for it.
- Coins may carry an expiry period notified to you in the app. Where an expiry period is introduced or shortened, we will give at least 30 days' notice before it applies to coins already in your Wallet.
- Bonus coins from referrals, quizzes, or promotions are subject to the specific terms of the relevant promotion.

9.4 Redemption

Redemption is enabled in stages. Coins may be earned and accumulated before the relevant date but cannot be redeemed until redemption for that coin type is enabled.

Coin type	Redemption enabled from	Conditions
Pickup coins	After 30 September 2026	Subject to Agent verification of the category and weight of the material collected.
Quiz coins	After 31 December 2026	Redeemed at the streak-based rate in Section 11.
Referral coins	After 31 December 2026	Redeemed at the streak-based rate in Section 11; subject to the anti-abuse rules in Section 12.

Payment processing. Cash payouts are disbursed through RazorpayX, our Payment Partner. Payouts are subject to the Payment Partner's own terms, to KYC and verification requirements, and to applicable Reserve Bank of India regulations. You may be required to provide bank or UPI details and identity documents before a payout can be processed. We are not liable for delays or failures caused by the Payment Partner, your bank, or your payment instrument, though we will assist you in pursuing them (Section 17).

Tax. You are responsible for any tax arising on amounts you receive. Where the law requires us or the Payment Partner to withhold or report tax on a payout, we will do so and will make the relevant particulars available to you.

Minimum thresholds. A minimum balance or minimum payout amount may apply and will be shown in the app before you confirm a redemption.

10. Redemption rate for pickup coins

KarmaCoins XP earned from a verified Pickup always redeem at the best available rate of **10 coins = ₹1**, regardless of your Streak. Your daily activity does not change the value of coins you earned by recycling.

11. Streak-based redemption rate for quiz and referral coins

KarmaCoins XP earned through the daily eco-quiz or the referral programme redeem at a rate determined by your unbroken daily Streak of verified Pickups, read at the moment you redeem. This structure is designed to reward consistent, genuine recycling activity and to prevent one-time or bulk referral sign-ups from being cashed out at the best rate on day one.

Stage	Level	Streak days	Conversion rate	Multiplier
Seedling	Bronze	Day 1–2	100 coins = ₹1	1×
Sapling	Silver	Day 3–6	75 coins = ₹1	1.3×
Grove	Gold	Day 7–13	50 coins = ₹1	2×
Woodland	Platinum	Day 14–20	30 coins = ₹1	3.3×
Forest	Diamond	Day 21–29	20 coins = ₹1	5×
Evergreen	Royal	Day 30+	10 coins = ₹1	10× (best rate)

11.1 How the Streak works

- **Advancing:** each day on which you complete a verified Pickup advances your Streak by one day. Completing the quiz or making a referral earns coins but does not by itself advance the Streak.
- **Reset:** if you miss a single day without a verified Pickup, your Streak resets to Seedling (Bronze). **You do not lose any coins already earned** — only the rate applied to your quiz and referral coins returns to the Seedling rate until you rebuild the Streak.
- **When the rate is fixed:** the applicable rate is determined by your Streak level at the exact moment you redeem, not at the time the coins were earned.

- **Days we cause:** if a Pickup you booked is cancelled, missed, or not completed because of us or an Agent, that day will not break your Streak. Report it through in-app support and we will restore the Streak where our records confirm it.
- **Where Pickups are unavailable:** a day on which no Pickup slot was available at your Pickup Address, or on which your Service Area was suspended by us, will not break your Streak.
- **Changes:** we may change the Streak stages, rates, or multipliers. We will give at least 30 days' notice of any change that reduces the rate applicable to coins already in your Wallet.

12. Referral programme

- Each User receives a unique referral code.
- Bonus coins are credited to both the referrer and the referee on the referee's first successfully completed and verified Pickup.
- The referee must be a genuinely new User who has not previously held an account.
- Self-referrals, referrals to accounts you control, fake or automated sign-ups, and coordinated abuse will result in reversal of the bonus, termination of the accounts involved, and forfeiture of all coins in them.
- We may cap the number of referrals eligible for a bonus in any period, and may modify or discontinue the programme on notice.

13. Acceptable use

You agree not to:

- Provide false, misleading, or impersonated information at registration, at booking, or during a Pickup.
- Create multiple accounts, or use another person's account.
- Manipulate or exploit the KarmaCoins XP, Streak, quiz, or referral systems, including by falsifying weights, splitting Pickups artificially, or presenting the same material more than once.
- Circumvent or attempt to circumvent the Serviceability Check, including by spoofing device location or by modifying, replaying, or forging API requests.
- Use bots, scrapers, automated tools, or scripts to interact with the Service.
- Reverse-engineer, decompile, disassemble, or extract the source code of the app, except to the extent this restriction cannot lawfully be imposed.
- Probe, scan, overload, or interfere with the Service or its infrastructure, or attempt to gain unauthorised access to any account or system.
- Abuse, threaten, harass, discriminate against, or behave inappropriately towards Agents, other Users, or Company personnel.
- Upload unlawful, infringing, obscene, or harmful content through any part of the Service.
- Use the Service for any unlawful or unauthorised purpose.

14. Agents

- Agents are independent contractors. They are not employees, and nothing in these Terms creates an employment, partnership, joint venture, or agency relationship between you, the Company, and any Agent.
- We verify Agents before onboarding but do not guarantee their conduct.
- You may rate an Agent after each Pickup. Consistently poor ratings or substantiated complaints may lead to an Agent being removed from the platform.
- **Do not make direct payment arrangements with Agents outside the platform.** Agents are not authorised to demand or accept payment from you for a Pickup. Report any such request immediately.
- Report any dispute or safety concern involving an Agent through in-app support. Where a safety concern is raised, we will take it seriously and act promptly.

15. Intellectual property

- All Content, trademarks, logos, app design, quiz material, and software associated with KarmaVer$e are owned by or licensed to the Company and protected under applicable intellectual property laws.
- Subject to your compliance with these Terms, we grant you a limited, non-exclusive, non-transferable, non-sublicensable, revocable licence to use the app for your personal, non-commercial use.
- You may not copy, modify, distribute, sell, lease, publicly display, or create derivative works from any part of the Service, except as expressly permitted by these Terms or by applicable law.
- The "KarmaVer$e" name and logo and the "KarmaCoins XP" branding are trademarks of the Company. No licence to use them is granted except as necessary to use the Service as intended.
- **Your content.** You retain ownership of photographs, ratings, reviews, and other material you submit. You grant us a worldwide, royalty-free, non-exclusive licence to host, store, reproduce, and display that material for the purpose of operating, improving, and promoting the Service. This licence ends when you delete the material or your account, except for copies retained as described in the Privacy Policy or required by law.
- **Feedback.** Suggestions or ideas you voluntarily submit about the Service may be used by us without obligation to compensate or credit you.

16. Third-party services

- The Service relies on third-party providers including mapping and geocoding services, cloud hosting, messaging providers, and our Payment Partner. Their availability is outside our control.
- Where you follow a link to a third-party site or redemption or donation partner, that third party’s own terms and privacy policy apply. We are not responsible for their content, products, or practices.
- We do not endorse any third party merely by making its service available through the app.

17. Complaints, disputes, and grievance redressal

17.1 How to raise an issue

6. **In-app support.** Use the "Need help?" option. This is the fastest route and creates a ticket we can trace.
7. **Grievance Officer.** If you are not satisfied with the outcome, escalate to our Grievance Officer using the details in Section 24.
8. **External remedies.** Nothing in these Terms limits your right to approach a consumer forum, the Data Protection Board of India, or any other competent authority.

17.2 Timelines

Stage	Our commitment
Raise a dispute about coin calculation, Agent conduct, or a redemption	Within 7 days of the relevant Pickup or transaction
Acknowledgement of a reported issue	Within 2 business days
Resolution of a routine issue	Within 15 business days
Resolution of a grievance escalated to the Grievance Officer	Within 30 days of receipt
Complex cases	We will keep you informed of progress and give an expected date

17.3 Remedies

- The Service does not charge Users for Pickups, so cash refunds do not arise in respect of Pickup services.
- Where a Pickup is missed, delayed, or completed incorrectly because of an error by us or an Agent, we may credit compensatory KarmaCoins XP, restore your Streak, reschedule the Pickup, or take other corrective action.
- Where a redemption payout fails, is delayed, or is reversed because of an issue at the Payment Partner or your bank, report it through in-app support. We will coordinate with the Payment Partner to investigate.
- If a dispute is not resolved informally within 30 days, either party may pursue any remedy available under law.

18. Suspension and termination

18.1 By you

- You may stop using the Service at any time, and may delete your account through settings or by contacting support.
- **Deleting your account permanently erases your KarmaCoins XP balance, including any unredeemed coins.** Redeem eligible coins before deleting. Data retention on deletion is described in the Privacy Policy.

18.2 By us

- We may suspend or terminate your account, with notice where practicable, for breach of these Terms, suspected fraud or abuse, risk to the safety of Agents or others, or where required by law.

- Where we suspend an account pending investigation, we will tell you the reason unless doing so would prejudice an investigation or breach a legal obligation, and we will restore the account if the concern is not substantiated.
- Coins earned through activity found to be fraudulent or abusive may be forfeited. Coins genuinely earned through verified Pickups will not be forfeited merely because an account is closed for convenience.
- We may discontinue the Service in whole or in part on reasonable notice, giving you a fair opportunity to redeem eligible coins first.

18.3 Effect of termination

Termination does not relieve either party of obligations accrued before it. Sections 15 (Intellectual property), 19 (Disclaimers and limitation of liability), 20 (Indemnity), 22 (General provisions), and 23 (Governing law) survive termination.

19. Disclaimers and limitation of liability

19.1 Disclaimers

- The Service is provided on an "as is" and "as available" basis. We do not warrant that it will be uninterrupted, error-free, or that mapping, geocoding, or serviceability data will be free of inaccuracies.
- We do not warrant that a Pickup slot will be available at any particular time or address.
- Estimated coin values shown before verification are indicative only.

19.2 Limitation

Subject to Section 19.3, and to the maximum extent permitted by applicable law:

- we are not liable for indirect, incidental, special, consequential, or punitive damages, or for loss of profits, data, or goodwill; and
- our aggregate liability to you arising out of or in connection with the Service is limited to the greater of (a) the rupee value of the KarmaCoins XP in your Wallet at the time the claim arose, calculated at the rate applicable to you, and (b) **₹5,000**.

19.3 What we do not exclude

> **Nothing in these Terms limits or excludes our liability for:**
>
> death or personal injury caused by our negligence;
>
> fraud or fraudulent misrepresentation;
>
> any liability that cannot lawfully be limited or excluded, including rights available to you as a consumer under the Consumer Protection Act, 2019 and rules made under it; or
>
> our obligations as a Data Fiduciary under the Digital Personal Data Protection Act, 2023.

19.4 Force majeure

We are not liable for any failure or delay in performance caused by events beyond our reasonable control, including natural disasters, epidemics, strikes, civil unrest, network or power outages, government action, or failure of the Payment Partner.

20. Indemnity

You agree to indemnify the Company and its officers, employees, and Agents against reasonable losses, claims, and costs arising from (a) your breach of these Terms, (b) your presentation of prohibited or undeclared hazardous material for collection, (c) your infringement of any third-party right, or (d) your violation of applicable law. This indemnity does not apply to the extent the loss is caused by our own act, omission, or negligence, and we will notify you promptly of any claim and not settle it without your consent, such consent not to be unreasonably withheld.

21. Changes to these Terms

- We may update these Terms to reflect changes to the Service, to our business practices, or to legal or regulatory requirements.
- **Material changes** — including changes to coin earn or redemption rates, Streak mechanics, expiry, or your rights — will be notified through the app, by email, or by other reasonable means at least **30 days** before they take effect, except where a shorter period is required by law or is necessary to address a security or legal risk.
- Non-material changes, such as clarifications and corrections, take effect on publication.
- The "Last updated" date and version number will be revised, and the change log in Annexure B will record what changed.
- Continued use of the Service after a change takes effect constitutes acceptance. If you do not agree, stop using the Service and delete your account.
- Changes apply prospectively and will not retroactively reduce KarmaCoins XP already credited to your Wallet.

22. General provisions

- **Entire agreement:** these Terms, together with the Privacy Policy and any promotion-specific terms, form the entire agreement between you and the Company regarding the Service and supersede prior agreements on the same subject.
- **Severability:** if any provision is held invalid or unenforceable, it is severed and the remainder continues in full force.
- **Waiver:** our failure to enforce any right or provision is not a waiver of it.
- **Assignment:** you may not assign your rights under these Terms without our prior written consent. We may assign these Terms, including in connection with a merger, acquisition, or sale of assets, provided your rights are not thereby reduced.
- **Notices:** we may give notice through the app, by email, or by SMS to your registered contact details. You should give notice through in-app support or the addresses in Section 24.
- **Language:** these Terms are made in English. Any translation is provided for convenience; in the event of conflict, the English version prevails.
- **Relationship:** nothing in these Terms creates a partnership, joint venture, employment, or agency relationship between you, the Company, and any Agent.
- **Headings:** headings are for convenience and do not affect interpretation.

23. Governing law and jurisdiction

- These Terms and any dispute arising out of them are governed by the laws of India.
- Subject to the bullet below, the courts at Gurugram, Haryana have exclusive jurisdiction.
- **Consumer rights preserved:** nothing in this Section removes your right, as a consumer, to bring proceedings before the consumer forum having jurisdiction where you reside or work, as provided under the Consumer Protection Act, 2019.
- Both parties agree to attempt informal resolution through the process in Section 17 for at least 30 days before commencing legal proceedings. This does not prevent either party from seeking urgent interim relief.

24. Contact us

Purpose	Contact
General support	In-app → "Need help?"
General enquiries	info@karmaverse.earth · 070931 98828
Grievance Officer (Terms, content, and platform complaints)	[INSERT NAME], Grievance Officer · grievance@karmaverse.earth
Data protection / privacy requests	See the Privacy Policy, Contact section
Registered address	3R Zero Waste, Plot 62, Sector 8 Road, IMT Manesar, Gurugram, Haryana 122503
Business hours	[INSERT HOURS], Monday to Saturday

Annexure A — Active service areas

This Annexure is maintained by the Company and updated as coverage changes. The version shown in the app is authoritative.

Service area	City	State	Country	Status	Pickup available
Gurgaon / Gurugram	Gurugram	Haryana	India	Active	Yes
Delhi	—	Delhi	India	Planned	No
Noida	—	Uttar Pradesh	India	Planned	No
Faridabad	—	Haryana	India	Planned	No
Ghaziabad	—	Uttar Pradesh	India	Planned	No

"Planned" areas are indicative only and create no commitment as to timing. Coverage within an active Service Area may be partial and is defined by the operational boundary published in the app.

Annexure B — Change log

Version	Date	Summary of changes
v1.0	August 2026	Initial publication.
v2.0	[EFFECTIVE DATE]	Added Service Area and serviceability terms (Section 5); clarified the legal nature of KarmaCoins XP (Section 9.1); revised eligibility to align with the DPDP Act, 2023 (Section 3); added prohibited-items list and waste-authorisation position (Section 8); added grievance redressal timelines and Grievance Officer (Sections 17, 24); added consumer-law and DPDP carve-outs to the liability cap (Section 19.3); added notice period for material changes (Section 21); added Streak protection where a Pickup fails through no fault of the User (Section 11.1).

By using KarmaVer$e, you acknowledge that you have read, understood, and agreed to these Terms & Conditions.
