Turning Waste into Opportunities

Investor Corner & Founder Speaks

Together for a Cleaner, Circular and More Inclusive Tomorrow

INVESTOR CORNER

CAPITAL TODAY. A CLEANER TOMORROW.

"We invest in 3R ZeroWaste because they are building **practical, scalable solutions that turn** waste into value, create green livelihoods and drive a cleaner, more circular future for India."

Investor Partner
3R ZeroWaste

ADVISORS

GUIDANCE TODAY. GREATER IMPACT TOMORROW.

"3R ZeroWaste is uniquely positioned at the intersection of community, technology and circular economy. With the right partnerships and innovation, they can scale their impact and set new benchmarks for sustainable waste management in India and beyond."

Advisory Panel
3R ZeroWaste

FOUNDER SPEAKS

PEOPLE. SOLUTIONS. LASTING CHANGE.

"Small Actions. Bigger Change."

At 3R ZeroWaste, we believe a cleaner and more sustainable future is possible when people, technology and partnerships come together.

Our focus is on practical and scalable solutions that reduce waste, promote reuse and recycling, and create meaningful livelihoods for communities.

I am grateful to our investors, advisors, team and partners who continue to support our mission. Together, we can build a circular economy that is inclusive, innovative and impactful for generations to come."

IMPACT AT A GLANCE

SEPTEMBER 2026

A Month of Action, Awareness & Impact

In September 2026, 3R ZeroWaste continued its efforts towards a cleaner, greener and more circular future through waste recovery, community engagement, worker safety and environmental education across Gurugram and nearby areas.

SEPTEMBER IMPACT NUMBERS

74,992 KG
Waste Collected

135,693 KG
CO_2e Emissions Avoided

67,820 KG
Post-Consumer Plastic Collected (through Bisleri Bottles for Change)

500+
Citizens Engaged (through awareness and community initiatives)

20
Waste Workers Supported (with PPE and sanitation kits)

80
Students Engaged (environmental awareness and 3R activities)

WHAT DEFINED SEPTEMBER

RESOURCE RECOVERY

Plastic and other waste streams moved towards responsible recovery.

COMMUNITY ACTION

Citizens, students and communities participated in environmental initiatives.

WORKER SAFETY & DIGNITY

Informal waste workers received safety and sanitation support.

ENVIRONMENTAL EDUCATION

Students participated in awareness and practical 3R activities.

PEOPLE BEHIND THE SYSTEM

SEPTEMBER 2026

A Clean City Also Needs Safe Workers

Supporting the people who keep our cities clean.

On 30 September 2026, as part of the Plastic-Free Campaign and Safai Mitra Safety & Dignity Initiative, 3R ZeroWaste supported 20 informal waste workers / rag pickers with PPE and sanitation kits. The initiative focused on occupational health, hygiene, safe waste handling and dignity, recognising the vital role these workers play in keeping our cities clean and enabling a circular economy.

Safer People Cleaner Communities Stronger Tomorrow

OUR IMPACT

20
IWWs / Rag Pickers Supported

PPE + SANITATION
Safety support provided

HEALTH • HYGIENE DIGNITY
Key focus areas

Awareness and interaction with waste workers

Distribution of PPE and sanitation kits

What the initiative included

- PPE kits (gloves, masks, safety gear)
- Sanitation & hygiene kits
- Guidance on safe waste handling
- Awareness on health, hygiene and dignity
- Interaction and community support

> *"A cleaner, greener city is possible because of the invisible backbone — our waste workers. Their safety, health and dignity are essential to a truly circular future.*

YOUTH & EDUCATION

SEPTEMBER 2026

Young Hands, Bigger Change

80 students learn that waste is a resource, not just rubbish.

An awareness session was conducted at Government Girls Senior Secondary School, IMT Manesar, where 80 students participated in an interactive learning session on waste segregation, the 3Rs and responsible waste management. Through real-life examples and activities, students explored how everyday waste can be a valuable resource.

WASTE COLLECTED BY STUDENTS

12 KG Paper

1.5 KG Plastic

800 G E-waste

80 Students Participated

12 Students in 3R Poster-Making Activity

KEY LEARNINGS

- Importance of source segregation
- Waste as a resource
- Role of youth in cleaner communities
- Simple actions for a big impact

> *"The students were enthusiastic and actively participated in discussions and activities. Their creativity and ideas show that the next generation is ready to build a cleaner, greener future."*

COMMUNITY STORY

Cleaner Communities Stronger Tomorrows

Cleanliness is a Shared Responsibility

500 citizens engaged through Swachhata Hi Seva 2026

As part of **Swachhata Hi Seva 2026**, 3R ZeroWaste engaged approximately **500 citizens** across residential areas and Green Societies in Gurugram. The campaign focused on source segregation, plastic reduction, e-waste awareness and responsible waste management, encouraging citizens to take collective action for cleaner and healthier communities.

500+

Citizens Engaged
(across residential areas and Green Societies)

WHAT WE TALKED ABOUT

SOURCE SEGREGATION
Segregate waste at home and in communities

PLASTIC REDUCTION
Reduce single-use plastic and promote responsible disposal

E-WASTE AWARENESS
Responsible disposal of e-waste and safe handling

CLEANER COMMUNITIES
Cleaner, healthier and greener neighbourhoods

CITIZEN ACTION
Collective effort for a zero-waste future

KEY HIGHLIGHTS

- Reached citizens **across** residential areas and Green Societies
- **Promoted** responsible waste management practices
- Encouraged reduction of single-use plastic
- Strengthened community participation for cleaner neighbourhoods

INNOVATION

Where Sustainability Meets Engagement

Introducing People to KarmaVer$e

At the September event, 3R ZeroWaste showcased KarmaVer$e — a digital engagement platform that rewards sustainable actions. The interactive stall attracted strong interest from visitors, encouraging more people to join the movement towards a cleaner, greener and more circular future.

EVENT IMPACT (SEPTEMBER 2026)

300+ Visitors engaged through KarmaVer$e

28 Business Cards Collected

3 Potential Clients Identified

THE EXPERIENCE

ENGAGE → **EDUCATE** → **REGISTER** → **CONNECT** → **RECYCLE** → **EARN**

ENGAGE — People visit the stall and learn about KarmaVer$e

EDUCATE — Awareness on waste segregation, recycling and circular economy

REGISTER — Sign up on the app and join the community

CONNECT — Network with like-minded individuals and organisations

RECYCLE — Take action through responsible waste disposal

EARN — Earn KarmaCoins for your sustainable actions

Sustainability is now just a tap away!

KarmaVer$e App is now live on Android!
